## **DWIB LEUKAEMIA TRUST (UK) ACCOUNT DETAILS FOR DONATIONS**

The DWIB Leukaemia Trust has been formed with the aim to increase awareness of leukaemia cancer and other blood disorders in the West African Sub-Region and create access to effective diagnostic and treatment resources for all. Most importantly, it aims to set up the first **BONE MARROW REGISTER** in West Africa, at the Korle-Bu Teaching Hospital.

### **WE NEED ALL KINDS OF HELP**

- People willing to give time.
- People who will speak out for us.
- People ready to organise things.
- People to become members.
- We also need funds, of course, to do the work. We rely entirely on voluntary donations to fund everything we do.

There are many different ways to help: organising events, donating through a Give As You Earn scheme, making a straight donation, giving through regular payments, pledging a legacy, nominating DWIB Leukaemia Trust as a company's Charity of the Year.

THANK YOU
